PERSONAL PROFILE

I am a Biochemistry and Molecular Biology graduate who works as MS Thesis Researcher on HEAT project with a strong interest in bioinformatics and molecular biology. As well as experienced in analyzing biological data, gene expression studies, applying computational tools to understand molecular mechanisms of disease and also skilled in research design, data interpretation and laboratory techniques, with a passion for integrating wet-lab and in-silico approaches. I am motivated, detail-oriented and eager to contribute to innovative research and scientific advancement.

EDUCATION

B.Sc. in Biochemistry and Molecular Biology
Shahjalal University of Science and Technology (SUST), Sylhet 3114, Bangladesh.
February 2020 - June 2025
CGPA: ***3.66*** on a scale of **4.00**

HSC
Dhaka College, Dhaka
2019
Board: Dhaka
Group: Science
GPA: ***4.83*** on scale of **5**

SSC
Ideal School and College, Motijheel, Dhaka
2017
Board: Dhaka
Group: Science
GPA: ***5*** on scale of **5**

RESEARCH INTEREST

Multi-Omics, Transcriptomics, Mutational Insights, Immune Modulation

RESEARCH EXPERIENCES

- **MS Thesis Student, HEAT Sub-Project PIN: 13409**
- **Undergraduate Project**

Project Title: Comprehensive Bioinformatic Insights into the Mutational Landscape and Evolution of the HIV-1 VPR Protein.

- **Research Article**

1. Arman MS, Sarker MN, Ahmed J, Trisha AD, Rahman S, **Shakib MMH**, et al. (2025) Opportunistic random blood glucose screening among professional drivers in northeastern Bangladesh: Assessing undiagnosed diabetes and health awareness. PLOS Glob Public Health 5(6): e0004828. https://doi.org/10.1371/journal.pgph.0004828

❖ **Poster Presentation**

1. **Shakib MMH**, R. Karim, Z. Hasan (October 2025). Insights of the Selection Pressure and Mutational Landscape of the HIV-1 VPR Protein. The International Conference on Life Sciences (ICLS 2025). Sylhet, Bangladesh.

SKILLS & EXPERIENCES

General Laboratory Skills

Nucleic acid extraction | DNA & RNA Isolation | DNA Quantification | PCR | qPCR | Gel Electrophoresis | UV spectrophotometry |Basic immunology and microbiology techniques |

Basic Bioinformatics Skills

Basic Python | Basic R | Machine Learning | Deep Learning | Primer Design | Molecular Docking | Basic Bioinformatics | Statistical analysis (SPSS & R) | Statistical and data visualization tools such as GraphPad Prism, Rstudio. |

Language

Bengali (native) | English (Fluent Working Proficiency)

BSc and MSc medium of instruction: English (All lectures and examinations have been conducted in English)

Software

Microsoft 365, Bioinformatics tools (MEGA), Adobe Photoshop, Illustrator and Premier Pro.

LEADERSHIP & TEAMWORK

General Secretary, BMB Society, SUST	2024-2025
Senior Vice President, Barisal Divisional Student Association, SUST	2023-2024
Cultural Secretary, Barisal Divisional Student Association, SUST	2021-2022
Member of Organizing Committee, 1st BMB symposium: Molecules of life at SUST	2023
Executive Member, Graduation Development Goal (GDN), SUST	2021-2022
Campus Ambassador of SUST, Excellence Bangladesh	2020-2022
